(In the space provided below, please explain in detail the reasons for the delay in filing a proper reply.)

A response to the 7/15/03 Office Action was filed on 11/17/03, together with a check in the amount of \$110 to cover the fee for a one-month extension of time to file the response. On 1/27/04, the Examiner notified Petitioner, as counsel of record, that the \$110 check filed on 11/17/03 was not received by the Patent and Trademark Office. Prior to 1/27/04, Petitioner had received no notice and was unaware that the \$110 check had not been received by the PTO.

On 1/27/04, the Examiner informed Petitioner that the deficiency associated with the 11/17/03 response could be cured by promptly re-filing the response, together with the \$110 fee. Accordingly, a copy of the 11/17/03 response was promptly re-filed with the \$110 fee on 1/27/04, and was received by the PTO on 1/29/04.

On 2/3/04, the PTO mailed a document entitled "Informality Regarding Payment Of Fee" (Paper No. 10), which indicated that the 11/17/03 response had not been entered, and Applicant was given the remainder of the set period for response or one month from the date of the letter, whichever was longer, within which to remit the \$110 fee. Because the fee had been remitted on 1/27/04, which was within the allotted time period, Petitioner expected that 11/17/03 response would be entered.

On 3/1/04, Petitioner contacted the Examiner via telephone to confirm that the 11/17/03 response had been entered. During this conversation, Petitioner learned that, contrary to the Examiner's previous statements and the statements in Paper No. 10, the 11/17/03 response had not been entered. Petitioner also learned that, because the statutory period for response to the 7/15/03 Office Action had expired, the application had become abandoned.

In summary, prior to 1/27/04, Petitioner was unaware that the PTO had not received the \$110 check accompanying the 11/17/03 response. From 1/27/04 to 3/1/04, based on communications from the PTO, Petitioner believed that the appropriate steps were being taken to cure the deficiency associated with the 11/17/03 response. On 3/1/04, Petitioner learned for the first time, via telephone, that the application had become abandoned.

Based on the foregoing facts, Petitioner respectfully submits that the abandonment of the present application was unavoidable under 37 CFR 1.137(a). Nevertheless, if the Commissioner declines to grant this Petition pursuant to 37 CFR 1.137(a), Petitioner respectfully requests that, in the alternative, the Petition be considered under 37 CFR 1.137(b). To support such a petition, Petitioner hereby states that, based on the foregoing facts, the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition under 37 CFR 1.137(b) was, at a minimum, unintentional.

If necessary, please charge any additional fees (e.g., the additional fee necessary to consider this Petition under 37 CFR 1.137(b), if necessary) and credit any overpayments (e.g., the \$110 fee submitted on 1/27/04, if such submission was improper or unnecessary) to Deposit Account No. 503030.
